ISSUED TO

Nordic Halibut AS

Næringsveien 18, , 6530 Averøy
Norway

The certification body Synfaring AS declares that company's labour procedures, as described in this Letter of conformance, meet the requirements set out in the standard:

- GRASP Principles and Criteria; VERSION 2.0_SEP22.

This Letter of conformance is based on observations during the assessment regarding the requirements established by the GLOBALG.A.P. Risk Assessment on Social Practice add-on. If available, the requirements of the national interpretation guideline of the country of production, as mentioned in this certificate, are included in the standard.

The GRASP general rules is a set of specific rules applying to the GRASP add-on. These rules shall be applied in addition to the GLOBALG.A.P. general regulations. The applicability of the rules is defined by the corresponding scope of IFA or a benchmarked scheme/AMC and the GRASP scope of activities as mentioned in this Letter of conformance. All rules are published here. <https://www.globalgap.org/documents>
